

## ABOUT COMPANY

At One Diksha, we believe in a new era of education—one that is practical, career-focused, and guarantees employment. We have designed a job-secured learning experience that doesn't just teach you to code but ensures you start your career in tech with confidence.

**DON'T JUST LEARN—  
SECURE YOUR FUTURE.  
A GUARANTEED JOB  
FROM DAY 1. NO  
UNCERTAINTY, JUST  
RESULTS.**

# AL/ML program

## How to Enroll

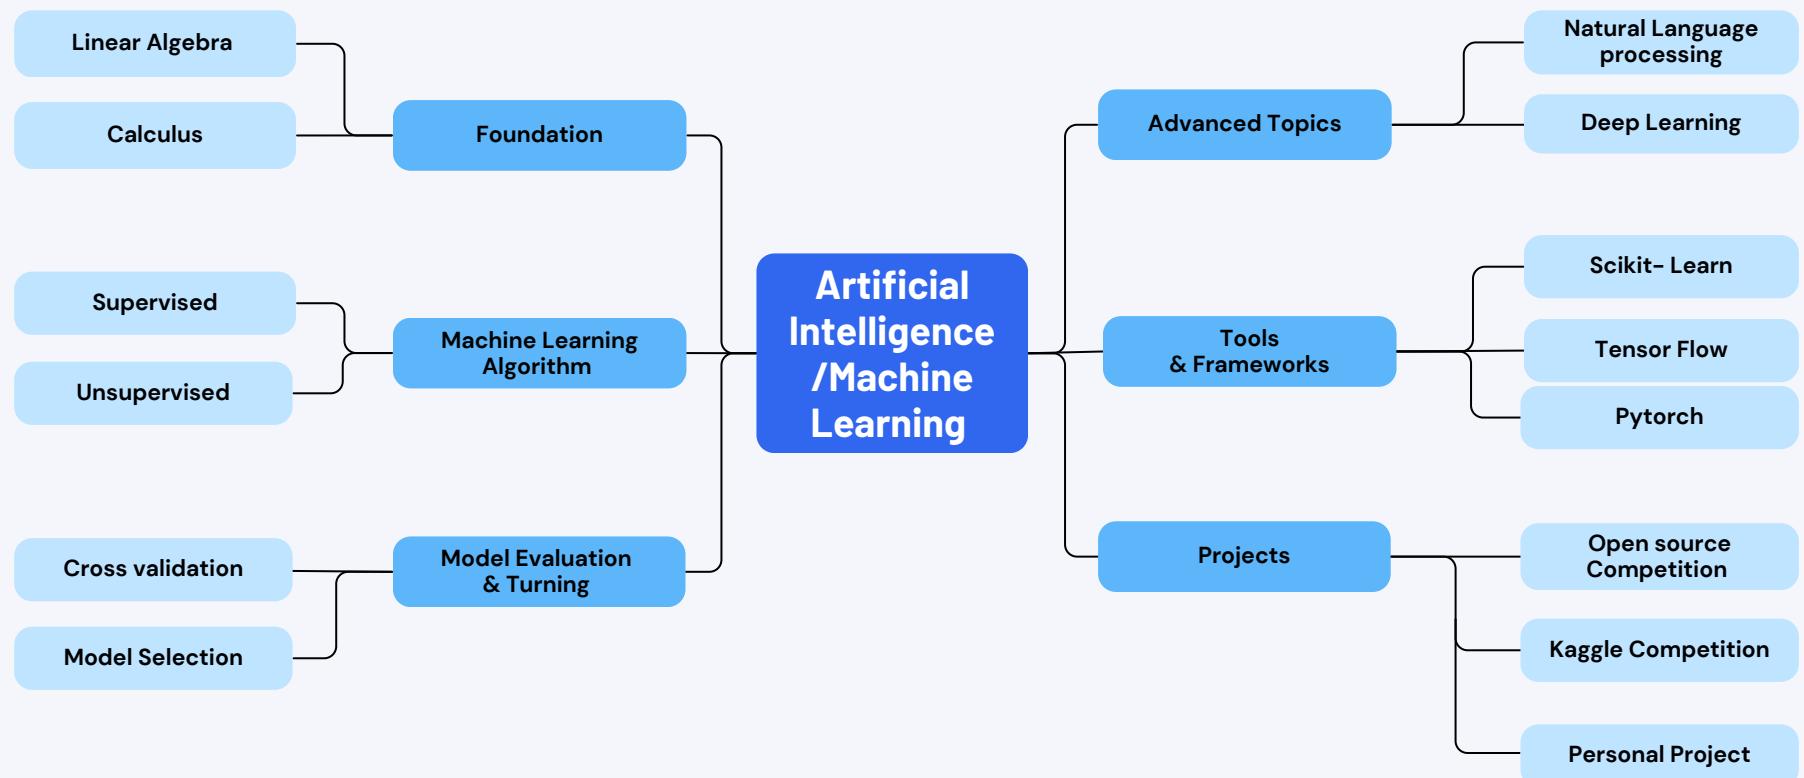

2,54151/- including all taxes

The program fees only pertains to training, tuition, boarding and lodging costs for the Live & campus training.

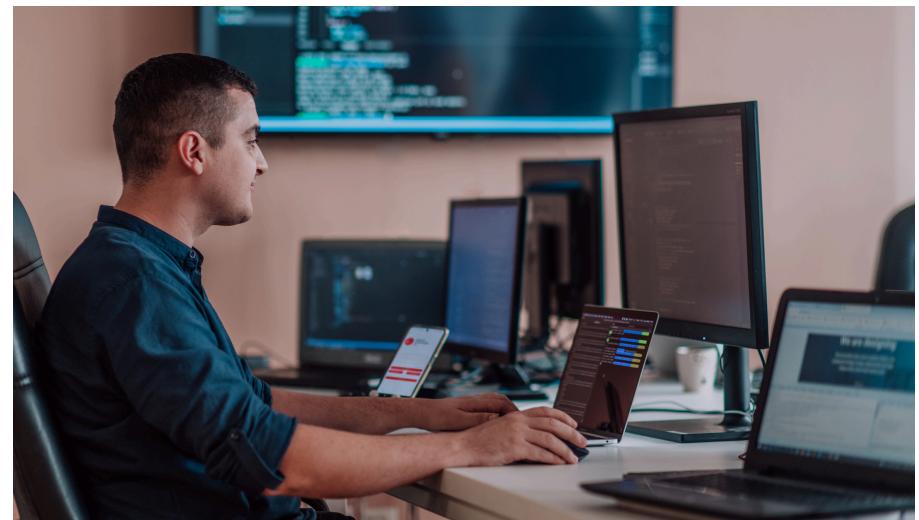

# AI/ML Roadmap

Artificial intelligence encompasses everything from smart assistants like Alexa to robotic vacuum cleaners and self-driving cars. Machine learning (ML) is just one of many AI fields. The study of creating statistical models and algorithms that enable computer systems to carry out intricate tasks without direct guidance is known as machine learning.
